

# Kayaks for Sale: Second Hand

All kayaks are in exceptionally good condition and are being sold at up to 80% below the replacement cost.

## Feel Free Gemini! (Includes paddles and PFDs)

"Fast and fun for two" this boat is truly an all round performer whether you are out for a day exploring, snorkeling, fishing or just having fun with the family. The extra length to carry two people plus space in a center position gives this kayak a comfortable seaworthy nature and paddling performance all in one package.

Length	12.4' (3.7 m)
Width	32.6" (83 cm)
Weight	70.2 lbs (32 kg)
Capacity	550 lbs (250 kg)

## The Bass - The Biggest Selling Kayak in Australia! (Includes paddles and PFDs)

Every member of the family can use the Bass in so many different situations. First released as a general-purpose kayak for schools and hire operators, the Bass is the biggest selling kayak in Australia.

It is just so versatile! The Bass can be used on calm lakes or in small white water rapids, for fishing or bird watching, by children as young as 6 and people as large as 120kg.

People new to kayaking find the Bass extremely stable, fun and easy to paddle.

Length	9.2' (2.8 m)
Width	30.3" (77 cm)
Weight	39.7 lbs (18 kg)
Capacity	265 lbs (120 kg)
